AadhaarFaceRD service is not installed in your device. Please install before continue.

Install

The notification is a white box with a blue border. It features an illustration of a woman in a blue uniform standing next to a smartphone displaying the AadhaarFaceRD app interface. Below the illustration, the text reads: 'AadhaarFaceRD service is not installed in your device. Please install before continue.' At the bottom of the box is a blue button with the word 'Install' in white text. A red arrow points from the text 'Download AadhaarFaceRD app.' on the right towards the 'Install' button.

Before your face scan, please follow these guidelines to ensure the best results

1. Ensure you are in a well-lit environment with minimal shadows on your face.
2. Clean your device's front camera lens to avoid blurry or distorted images.
3. Hold your device at eye level and keep your face centered within the frame.
4. Stay steady and avoid sudden movements during the scan.

Start Scan

Enter OTP

SCAN

Click on Start Scan and then Scan your face by blinking your eyes.
